Polycystic Kidney Disease Kidney

Recent Publications on Polycystic Kidney Disease Kidney:

- **Concurrent renal cell carcinoma and central nervous system lymphoma in a patient with autosomal dominant polycystic kidney disease.**
  
  OBJECTIVE: To report an unusual case of synchronous renal cell carcinoma...3rd October, 2009
  Department of Nephrology, Kidney Research Center, Chang Gung Memorial- Med Princ Pract.

- **Polycystic kidney disease.**

  OBJECTIVE: To report an unusual case of synchronous renal cell carcinoma...3rd October, 2009
  Hasbro Children's Hospital Providence, RI, USA.- Pediatr Rev. 2009 Oct;30(10):e78-9; discussion e79.
  (DOI Direct Link)

- **Aberrant Planar Cell Polarity Induced By Urinary Tract Obstruction.**

  Flow-sensing by primary cilia of the epithelial cells is involved in...2nd October, 2009
  UT Southwestern Med. Ctr at Dallas.- Am J Physiol Renal Physiol. 2009 Sep 30. (DOI Direct Link)

- **Nanomolar Potency Pyrimido-pyrrolo-quinoxalinedione CFTR Inhibitor Reduces Cyst Size in a Polycystic Kidney Disease Model.**

  Inhibitors of the cystic fibrosis transmembrane conductance regulator...30th September, 2009
  Departments of Medicine and Physiology, University of California, San.- J Med Chem. 2009 Sep 28. (DOI Direct Link)

- **Aldosterone as a Renal Growth Factor.**

  Aldosterone regulates blood pressure through its effects on the...29th September, 2009
  Department of Molecular Medicine, Royal College of Surgeons in Ireland,- Steroids. 2009 Sep 23. (DOI Direct Link)

- **Renal transplantation vs hemodialysis: cost-effectiveness analysis.**

  BACKGROUND/AIM: Chronic renal insufficiency (CRI), diabetes, hypertension,...29th September, 2009

- **Screening for intracranial aneurysms in ADPKD.**

  Polycystin-1 (PC-1), the product of the PKD1 gene, mutated in the majority...29th September, 2009

- **Effect of Pioglitazone on Survival and Renal Function in a Mouse Model of Polycystic Kidney Disease.**

  Background/Aims: Cystic epithelia in polycystic kidney disease display...25th September, 2009
  Division of Nephrology, University of Utah Health Sciences Center, Salt- Am J Nephrol. 2009 Sep 24;30(5):468-473. (DOI Direct Link)

- **Pulse mTOR inhibitor treatment effectively controls cyst growth but leads to severe parenchymal and
glomerular hypertrophy in rat polycystic kidney disease.
The efficacy of mammalian target of rapamycin (mTOR) inhibitors is...25th September, 2009 University of Zurich - Irchel, Switzerland.- Am J Physiol Renal Physiol. 2009 Sep 23. (DOI Direct Link)

A mouse model for Meckel Syndrome reveals Mks1 is required for ciliogenesis and Hedgehog signaling.
Meckel Syndrome (MKS) is a rare autosomal recessive disease causing...25th September, 2009 Developmental Biology Program, Sloan-Kettering Institute, New York, NY- Hum Mol Genet. 2009 Sep 22. (DOI Direct Link)

A novel mouse model reveals that polycystin-1 deficiency in ependyma and choroid plexus results in dysfunctional cilia and hydrocephalus.
Polycystin-1 (PC-1), the product of the PKD1 gene, mutated in the majority...24th September, 2009 Dulbecco Telethon Institute (DTI) at Dibit, San Raffaele Scientific- PLoS One. 2009 Sep 23;4(9):e7137. (DOI Direct Link)

Purification and localization of intraflagellar transport particles and polypeptides.
The growth and maintenance of almost all cilia and flagella are dependent...22nd September, 2009 Department of Biological Sciences, Dartmouth College, Hanover, NH, USA.- Methods Mol Biol. 2009;586:207-25. (DOI Direct Link)

ERK1/2-Dependent Vascular Endothelial Growth Factor Signaling Sustains Cyst Growth in Polycystin-2 Defective Mice.
BACKGROUND & AIMS:: Severe polycystic liver disease can complicate adult...22nd September, 2009 Dept. of Internal Medicine, Section of Digestive Diseases, Yale- Gastroenterology. 2009 Sep 17. (DOI Direct Link)

Colchicine treatment in autosomal dominant polycystic kidney disease: Many points in common.
Autosomal dominant polycystic kidney disease (ADPKD) is the most common of...22nd September, 2009 Selcuk University, Meram School of Medicine, Nephrology Department, Meram,- Med Hypotheses. 2009 Sep 16. (DOI Direct Link)

Thoracic aortic dissection complicating autosomal dominant polycystic kidney disease; report of a case.

BioNews Results for Polycystic Kidney Disease

Kidney

The Vasculature Emerges As A Potential Therapeutic Target In Treating ADPKD Liver Cysts
Medical News Today: Sep 24 2009 3:11PM Matching: polycystic kidney disease

Researchers visualize vasculature within native liver cyst walls of human ADPKD patients

The vasculature emerges as a potential therapeutic target in treating ADPKD liver cysts
Genetic Engineering News: Sep 23 2009 8:55PM Matching: polycystic kidney disease

Renal Volume, Renin-Angiotensin-Aldosterone System, Hypertension, and Left Ventricular Hypertrophy in Patients with Autosomal Dominant Polycystic Kidney Disease
